

REMARKS

The purpose of this Supplemental Amendment is to reintroduce the term "conduits" instead of "tubes". In the first filed amendment, we changed the expression "tubes or conduits" was changed to "tubes". This was an inadvertent error since it is clear that the expression "conduits" is a broader expression and covers tubes as well as any other channel of a given cross section, be it circular or angular.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

I. William Millen (Reg. No. 19,544)
